Jews and the slave trade:
>"The trade in slaves constituted the main source of livelihood for the Roman Jews, and decrees against this traffic were issued in 335, 336, 339, 384, 415, 417, 423, 438, and 743."

>"In the dark ages the commerce of western Europe was largely in his [the Jew's] hands, in particular the slave trade, and in Carolingian cartularies [registers] Jews and merchants are used as almost interchangeable terms."

>"One type of business carried on in the early Middle Ages by the Jews of Europe, namely the slave trade, requires a special word of explanation. The Jews were among the most important slave-dealers. As inhabitants of western Germany pushed their way deeper and deeper into Central Europe, driving the Slavic inhabitants farther eastward and taking away their land, they brought back captives whom they sold to Jewish traders. The Jews, in turn, transported these slaves to other lands to be sold to Christian and Mohammedan masters."

>"Even in the days of the secession crisis, and the subsequent prolongated war and eventual defeat, many Southern Jews believed slavery to be indispensable to their happiness and security."

>"On the Caribbean island of Curacao, Dutch Jews may have accounted for the resale of at least 15,000 slaves landed by Dutch transatlantic traders, according to Seymour Drescher, a historian at the University of Pittsburgh. At one point, Jews controlled about 17 percent of the Caribbean trade in Dutch colonies, Drescher said.
>"Jews were so influential in those colonies that slave auctions scheduled to take place on Jewish holidays often were postponed, according to Marc Lee Raphael, a professor of Judaic studies at the College of William & Mary.
>"In the United States, the Jewish role in the slave trade has been a matter of scholarly debate for nearly two decades, prompted in part by efforts to refute the Nation of Islam’s claim that Jews dominated the Atlantic slave trade. But in Holland, the issue of Jewish complicity is rarely discussed."

>"Jews also took an active part in the Dutch colonial slave trade; indeed, the bylaws of the Recife and Mauricia congregations (1648) included an imposta (Jewish tax) of five soldos for each Negro slave a Brazilian Jew purchased from the West Indies Company. Slave auctions were postponed if they fell on a Jewish holiday. In Curacao in the seventeenth century, as well as in the British colonies of Barbados and Jamaica in the eighteenth century, Jewish merchants played major role in the slave trade. In fact, in all the American colonies, whether French (Martinique), British, or Dutch, Jewish merchants frequently dominated.
>"This was no less true on the North American mainland, where during the eighteenth century Jews participated in the 'triangular trade' that brought slaves from Africa to the West Indies and there exchanged them for molasses, which in turn was taken to New England and converted into rum for sale in Africa. Isaac Da Costa of Charleston in the 1750's, David Franks of Philadelphia in the 1760's, and Aaron Lopez of Newport in the late 1760's and early 1770's dominated Jewish slave trading on the American continent."

>"All through the eighteenth century, into the early nineteenth, Jews in the North were to own black servants; in the South, the few plantations owned by Jews were tilled with slave labor. In 1820, over 75 percent of all Jewish families in Charleston, Richmond, and Savannah owned slaves, employed as domestic servants; almost 40 percent of all Jewish households in the United States owned on slave or more. There were no protest against slavery as such by Jews in the South, where they were always outnumbered at least 100 to 1; discretion was held imperative if they were to survive. But very few Jews anywhere in the United States protested against chattel slavery on moral grounds."

>40 percent of all Jewish families in the USA owned slaves, compared to just 8% of white families.

The Real Slave Bringers

For decades, the White people of America have been subjected to a continual barrage from Blacks and others that you and I are somehow "responsible" for the African slave trade and that we need to "atone" for our "guilt." Their are a number of flaws with the idea that we are somehow "responsible" for the African slave trade. First of all, very few White people even owned slaves-slavery was a rich man's pursuit and slavery did not exist amongst the middle and working classes of White people. Second of all, even if every one of us had an ancestor who owned slaves (which is an extremely unlikely proposition), it makes little sense to blame the children for the supposed sins of their fathers. Third of all, it is a fact that Blacks sold their own kind into slavery. As this is the case, Blacks are every bit as much to blame for slavery as are Whites. Fourth, European Whites did not bring the slaves to America. On the contrary, it was the Asiatic Jews who brought them here (as Louis Fahrakkan has also pointed out). Below is a listing of the Jewish slave ships and the Jewish owners of them.

The population of the Mississippi Delta in 1900 was 195,346 (88% Black)— the highest concentration of Blacks in America. These were sharecropping families with an annual income of $150. The yearly cotton production of the USA was 10 million bales, much of it from this region. Other notables: In Arkansas, the **Adler family** had 10,000 acres and Black slaves; **Radgesky & Solomon** had 3,400 acres; and **George Rosenberg** of Fulton was considered the largest individual holder of spot cotton in the world. In Louisiana, **Leopold Aschaffenberg** was one of the largest cotton planters in the state.

An African-American apologizes for misattributed perceptions of white racism against blacks perpetrated by Jews

Dontell Jackson

Hello and welcome to my website *We Thought They Were White.* My name is Dontell Jackson, and like many African-Americans, I was brought up in a culture deeply infused with propaganda designed to lay the blame for all of the black race's ills on the white man. It was not until I began looking into the actual history of blacks, whites, and other races in America, that I came to realize that many if not most of the resentment that African-Americans harbor regarding our long history of abuse and exploitation has been intentionally misdirected by those who are most responsible for it, to shift the blame away from themselves as a people onto the white race who they regard as their enemies.

The reality is that the white race had little to do with the slave trade that took our ancestors away from Africa and sold them into bondage in the New World. That crime was committed not by White Europeans, but by Jews who were engaged in transatlantic commerce between the Old World and the Americas where they hoped to establish a New Jerusalem from which to rule the world by way of exploiting all races who were not members of their tribe of "chosen people." In their efforts to accomplish that goal, the white race has been hoodwinked and manipulated as unsuspecting pawns almost as much as the black race has been.

Blacks have been purposely misled by the Jewish people who, in previous centuries, built their fortunes in the transatlantic slave trade, and who continue to manipulate and exploit us even today. Because most black people make no distinction between Jews and whites, it is easy for the Jews to evade justice and escape the blame for the wrongs that they have inflicted on our people for centuries by convincing blacks that it was the white man who did it. In most cases the vast majority of the white race had nothing to do with slavery or other crimes that have been committed against our people. Whites were and continue to be exploited and manipulated by the Jews, the same as blacks, and their race is even more hated by the Jew, where blacks are simply disregarded by the Jews with indifference, as are other races. We are all simply pawns to the Jews who have no other use for us beyond being a source of profit to them and a weapon that can be used to help destroy whites, who they see as their sworn enemies, by encouraging us to breed with them until there are no longer any whites left.

I would like to invite all of my black brothers and sisters to join me in untangling the lies, deceptions and half-truths that have been foisted upon us as a race, and to explore the true history of what has been done to us as a people by those who were more than happy to encourage us to think these wrongs were committed against us by whites, when in reality those crimes were carried out by Jews.

Please feel free to share the information that I have presented on this site with as many of your friends, relatives, and associates as possible, so that we as a people can gain greater freedom through knowledge of the truth which is the only thing that can set us free from the state of subjugation, manipulation, and exploitation at the hands of those who have and who continue to deceive us. Let us educate ourselves as a people by sharing this knowledge of the truth among all of our race so that we can at last break free of the bondage of the lies and superstition that have enslaved our minds and our spirits.
